Flexible Classrooms – 930 s.f. Learning Environments

- Lecture - 48 stud.
- Case study - 30 stud.
- Lect./Team - 35 stud.
- Team - 54 stud.
- Debate - 36 stud.
- Computer - 28 stud.
- Lecture/Comp. - 32 stud.
- Computer - 24 stud.

The classrooms building will be designed and equipped to support a wide range of teaching and learning styles. The above diagrams are meant to show the flexibility that a 930 sf space can accommodate. Problem base learning, case studies, debates, team teaching and learning styles. Resources will be available. When a faculty member wants to reconfigure the room for a shared special event or for team or individual activities, it will only take a few minutes.

Really Exciting Title

Could be two lines if it is exciting.
